

# *The Liu Fang Memorial Scholarship*

## PRESS RELEASE

16 May 2026 – Camarillo, CA

The Board of Directors of The Liu Fang Memorial Scholarship Foundation are once again pleased to announce that the Foundation is the recipient of a \$5,000 donation from the ESCO Technologies Foundation. The ESCO Technologies Foundation was established in 2005 and is dedicated to providing financial support to a core group of charities focused on helping children and families in the communities where ESCO Technologies has operations. The Foundation's goal is to make a meaningful contribution to each charity and respective community.

This is the fourth year that The Liu Fang Memorial Scholarship Foundation has been fortunate to receive this level of support from the ESCO Technologies Foundation. David Conrad, president of the Liu Fang Memorial Foundation said, "The Liu Fang Memorial Foundation greatly appreciates the ongoing support of the ESCO Foundation in support of our goal of encouraging women beginning university to enter the fields of Physics, Engineering or Mathematics. Their support helps us to continue to support talented women in attending higher education and to help them realize their future."

The Liu Fang Memorial Scholarship Foundation is a 501(c)(3) foundation, dedicated to providing scholarships to women attending a four-year university to major in Physics, Engineering or Mathematics. The Foundation is in memory of Liu Fang, a 1988 graduate of Beida (Beijing University) with a bachelor's degree in physics, honoring her desire to learn, her curiosity about the world and her love of family.
